

GARRY HAVRILLAY – DIRECT LICENSING POLICY (PUBLIC PERFORMANCE AND COMMUNICATION RIGHTS)

Direct licensing policy

1. This is the direct licensing policy of Garry Havrillay. At present I do not have the capacity to directly license any of my sound recordings or music videos for public performance or communication.
2. Given the legal and administrative costs involved with direct licensing I am unable to offer direct licenses at competitive rates for public performance or transmission. I will review my position every 12 months to consider whether I am able to engage in direct licensing.
3. In the meantime, if you require a licence for the public performance of one of my sound recordings or music videos you should contact **OneMusic Australia** through their website <https://onemusic.com.au> or call 1300 162 162. If you require a licence for the communication of one of my sound recordings or music videos, you should contact the Phonographic Performance Company of Australia (**PPCA**) at www.pcca.com.au or by calling (02) 8569-1100.
4. You are welcome to enquire directly about licensing one of my sound recordings for a use that is not covered by a PPCA licence via the webmail form at havrillay.com/contact. Such uses may include but are not limited to:
 - a. Including my sound recordings on a compilation; and/or
 - b. synchronising my sound recordings for film or television
5. If you wish to provide any feedback or comments on my direct licensing policy, you can also use the webmail form at havrillay.com/contact
